October 2026

Spanish in Action

Class Description

This course is designed for students who have a solid grammatical base and want to become more natural and fluid speakers. Students expand their use of advanced structures (including more consistent use of the subjunctive and compound verbs) while focusing heavily on conversation. Topics include current events, cultural themes, professional situations, and real-world problem solving. The goal is greater spontaneity, nuance, and confidence in extended conversations. *Completion of Level 4 (or equivalent experience) is a prerequisite for this class.*
